The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Beaver Dam Fire Department Facilities project in Fiscal Year 2027. The entity to receive funding for this project is the City of Beaver Dam at 205 South Lincoln Ave., Beaver Dam, WI 53916.

The funding would be used to support the design and construction of a new fire department headquarters station and a satellite fire station in Beaver Dam, including sitework, communications systems, and the acquisition of equipment necessary for emergency response operations. The project is an appropriate use of taxpayer funds because modern public safety infrastructure is necessary to ensure reliable emergency response and maintain the safety and protection of residents, businesses, and surrounding communities.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Glenn Grothman".
