The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Lodi Public Safety Building project in Fiscal Year 2027. The entity to receive funding for this project is the City of Lodi located at 130 S. Main St., Lodi, WI 53555.

The funding would be used to support the acquisition of land, site preparation, and construction of a new public safety building in Lodi, including the installation of necessary infrastructure to house fire and emergency medical services operations. The project is an appropriate use of taxpayer funds because modern public safety facilities are necessary to ensure reliable emergency response, improve coordination between fire and EMS services, and maintain the safety and protection of residents, businesses, and surrounding communities.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Glenn Grothman".
