The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sheboygan County Educational Marsh Boardwalk project in Fiscal Year 2027. The entity to receive funding for this project is the Sheboygan County Planning and Conservation Department, located at 508 New York Avenue, Sheboygan, WI 53081.

The funding would be used for completing a nearly 1-mile boardwalk and bridge connecting park facilities to a previously inaccessible portion of the Marsh. The project is an appropriate use of taxpayer funds because the improved access to the Marsh offered by this boardwalk and trail will provide a significant benefit to the public, connecting visitors to park facilities as well as providing access to Marsh habitats.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Glenn Grothman".
