The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Two Rivers Harbor Dredging project in Fiscal Year 2027. The entity to receive funding for this project is the U.S. Army Corps of Engineers.

The funding would be used for dredging and maintenance of the Two Rivers Harbor to ensure adequate channel depth and safe navigation for commercial and recreational vessels. The project is an appropriate use of taxpayer funds because maintaining navigable waterways is necessary to support maritime commerce, protect local economic activity, and ensure safe and reliable access to the harbor.

The project has a federal nexus because the funding provided is for purposes authorized by Section 101 of the Rivers and Harbors Act of 1958 (Public Law 85-500), as well as the Rivers and Harbors Acts of 1871, 1907, and 1935.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Glenn Grothman".
