The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Cleveland Hika Bay Boat Launch project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Cleveland, located at 1150 West Washington Avenue, PO Box 87, Cleveland, WI 53015.

The funding would be used to replace the existing Hika Bay boat launch and install a permanent pier system, including site preparation and associated infrastructure improvements to support safe and reliable access to Lake Michigan. The project is an appropriate use of taxpayer funds because modern, ADA-compliant boat launch infrastructure is necessary to ensure public safety, maintain access for recreational and emergency use, and support local economic activity tied to waterfront recreation and tourism.

This project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Glenn Grothman".
