The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Cleveland Water Utility Upgrade project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Cleveland, located at 1150 West Washington Avenue, PO Box 87, Cleveland, WI 53015.

The funding would be used to upgrade the Village's water utility system, including installation of water treatment equipment and associated infrastructure improvements to support reliable operation of the municipal drinking water system. The project is an appropriate use of taxpayer funds because improvements to water treatment capabilities and related infrastructure are necessary to ensure safe, compliant, and dependable drinking water service for residents and businesses.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Glenn Grothman".
