The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Neshkoro Stan-O-Gene Park Renovation project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Neshkoro located at 322 S Main St Po Box 265, Neshkoro, WI 54960.

The funding would be used to upgrade and modernize infrastructure at Stan-O-Gene Park, including the construction of ADA-compliant pathways, improvements to parking areas, renovations to restroom and shelter facilities, installation of security lighting and cameras, and the addition of accessible playground equipment and seating. The project is an appropriate use of taxpayer funds because these upgrades are necessary to ensure safe, accessible, and functional public recreational facilities for residents and visitors.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Glenn Grothman".
