The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Dekorra Wastewater Treatment Facility Connection project in Fiscal Year 2027. The entity to receive funding for this project is the Dekorra Utility District, located at W8225 County Road JV, Poynette, WI 53955.

The funding would be used to construct a force main connecting the Town's existing wastewater treatment facility to the Village of Poynette's municipal wastewater system, including installation of the pipeline and associated infrastructure necessary to convey wastewater between the two communities. The project is an appropriate use of taxpayer funds because establishing this connection is necessary to maintain reliable wastewater service and ensure continued operation of the Town's municipal sewer system.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Glenn Grothman".
